

LEGO CLUB NORTH TERM 1 2021

Thanks to Communities for Children and The Platform, we are able to offer Lego Design sessions again in 2021 for autistic individuals and their families. Come along and show your creativity and meet others who enjoy Lego-building! We will have a few special sessions and have some extra plans for the term!

While this group is for children on the Autism Spectrum, siblings are welcome to join the fun too!

We ask that each child has a parent or support worker present while building. Coffee, tea, and snacks will be served!

This group is for children aged 5 - 12 (negotiable) and we advise CHILDREN UNDER 3 YEARS not be permitted to play with the Lego due to safety restrictions. Children over 12, don't worry! We'd love for you to take on a mentoring role within the group, so you can still be part of the fun!

LOCATION

The Platform, 73
Elizabeth Way, Elizabeth

This is a free group, although a gold coin donation needed for tea and coffee
Please note that spaces are limited.
