Development and Parenting

Presents:

# Lego Design Group South - Aldinga

## Term 1 2020

Thanks to Communities for Children and Aldinga Beach Children's Centre, we are able to offer Lego Design sessions again in 2020 for autistic individuals and their families. Come along and show your creativity and meet others who enjoy Lego-building. We will have a few special sessions and have some extra plans for the term!

**Children on the Autism Spectrum and their siblings welcome.** Numbers are limited - so registration is required.

We do ask each child to have a parent present whilst building... (coffee, snacks and biccies will be served!)

We recommend children be aged between 5-12 (negotiable) and advise CHILDREN UNDER 3 are not permitted to join in with the Lego due to safety restrictions. They may however stay and play with duplo under the strict supervision of their parents. Children over 12 may like to take on a mentoring role in the Lego group.

**Dates:** Held fortnightly on Saturday mornings:

- ⇒ 1st February
- ⇒ 15th February
- ⇒ 29th February
- ⇒ 14th March
- ⇒ 28th March

**Time:** 10.30am-12pm

**Location:** Aldinga Children's Centre  
Evans Street, Aldinga

**Cost:** FREE (Gold coin donation for tea and coffee)

**REGISTER by calling Meg**
